

CARVED FOR THE CHOSEN FEW
PROJECT DETAILS

It all began with a dream, an outlandish fantasy to create an unimagined destination.
An address so unique and potent, that every individual's story that blooms on this land, becomes
a royal tale... majestic and exceptional.

We nurtured the passion to craft a world that not only elevates, but also transcends every
definition of luxury living. We brought in craftsmen and connoisseurs who carefully nourished and
moulded this vision into a breathing, living form.

That dream we saw is now real.

Welcome to Tulip Monsella.
